

“For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.” - Ephesians 2:10

**Dear Friend and Ministry Partner,**

What a privilege it is to serve the Lord with you. How amazing that our God welcomes us into His family, and service, allowing us the great honor of being a part of His ministry and Kingdom work in this world. While none of us can take credit alone for what He is doing in our midst, at the same time, we can choose to say “Yes” to Him. We can agree to join and meet Him in those ‘good works’ that He has set before us. You’ve done that, and for that I thank you. You are the reason why this work is as healthy as it is. You pray, believe, love, serve, and give. Your financial gifts are that sustaining provision that God is using to allow us to maintain a vital presence in this county and community. Your faith-filled and faithful investment in Calvary Chapel Foothill Ranch is what allows us to maintain and reach further through the ministries that He has raised up in our church body.

Your gifts, stewarded by our Board of Elders and Pastoral Staff, are what enables us to serve our church body, community, and world, with confidence. Weekly, your giving supports Missions work taking place locally and globally, from here in the United States to the farthest reaches of our world. A generation is being discipled in our Youth and Children’s Ministries. Men and women are coming together to study the Bible, to be equipped to better know, serve, and share with others about our Savior. People are coming to know Christ and have been baptized, families and marriages are being strengthened and healed. It is truly exciting to reflect on all that our God is doing in and through CCFR, as a result of your giving.

Thank you. Truly, we are so grateful for your commitment to give toward this work.

As we move into this New Year, I invite you to pray with me for God’s continued provision, blessing, and expansion of this ministry. It is my belief that in time we will need a new church home. Though a blessing in so many ways, our present meeting space is limiting. We are asking God, in His timing, to provide the right building in keeping with the work He desires to do. So, as we ask for that, let’s trust and look to Him for direction and the open doors that He would have us to walk through. In faith, let’s see together what He has in store for us!

God bless you!

In His love and with much gratitude for your gift,
